Guild Hub of the Metaverse

BLOCKCHAIN SPACE

EMPOWERING GUILDS TO SCALE

"GUILDS ARE THE ASSET MANAGERS OF THE METAVERSE"

ABOUT THE PROJECT:
BlockchainSpace (BSPC) empowers the next generation of asset managers in the Metaverse by developing tools and providing financing solutions that allow PlayToEarn Guilds to successfully scale their businesses.

VISION:
To be the leading data and financial hub for PlayToEarn Guilds.

WHAT A GUILD NEEDS

Guilds lack tools to effectively and efficiently scale.

ACCOUNTING & CRM
PlayToEarn Guilds lack accounting and CRM solutions

FINANCIAL
PlayToEarn Guilds are run by Players with limited access to financial solutions to accelerate expansion

LEARN
PlayToEarn Guilds need a platform to share and learn best practices

TRACKING
PlayToEarn Guilds want industry benchmarks and integrated tracking to compare performance and gain

MANAGEMENT
PlayToEarn Players want transparency to track performance in real-time and track online wallets like a bank account

CASHOUT
PlayToEarn Guilds lack accurate & timely payroll solution

WHAT WE CAN OFFER

BlockchainSpace offers products that provide valuable data, generate key metrics, and automate administrative tasks saving guild operators time and allowing them to focus on scaling and performance. With our products, BlockchainSpace will be in a unique position to assess and extend credit to Guilds and Players.
