- entitle holders to exchange MEME for goods or services;
- be a representation of money (including e-money);
- be a digital representation of a capital markets product, security, share, debenture, unit in a collective investment scheme, derivatives contract, commodity or any other kind of financial instrument or investment in any jurisdiction;
- be a capital markets product, security, share, debenture, unit in a collective investment scheme, derivatives contract, commodity or any other kind of financial instrument or investment in any jurisdiction;

There is no guarantee and no commitment to list MEME on any exchange.
