ArchLoot
@archlootOS

Hello ArchLootians! #ARCHLOOT token migration and change of ticker coming soon~

At 12:00 PM UTC April 24th, 2024, a phased migration of on-chain $ALT to the Ethereum ERC20 standard will be commenced, and the equivalent original BEP20 tokens will be burned.

ArchLoot governance token, $ALT, is switched to $AL. New contract address:
ERC-20 $AL: 0x046BAd07658f3B6cAd9A396CFcbC1243AF452ec1
