

# MIGRATION POLICY.

Dear User, Cipher Ethereum, Cipher BNB, CIPHER Stellar and CIPHER Algorand tokens can be migrated to CIPHER (CPR) Polgyon. Migration will be based on the live market price of CIPHER (CPR) POLYGON and migration token's market price.

Migrated tokens can not be withdrawn immediately. All migrated tokens will be moved to Cipher Polygon stake facility and it will locked for one year from the date of the stake. Every month stake rewards can be withdrawn to your personal wallet. Reward withdrawal method will be USDT. Withdrawal processing time: 24hrs.
