Exciting news! The migration of MIND Tokens to the Polygon network is now live through our dedicated [portal](#), designed to ensure a streamlined and user-friendly experience. Begin your migration journey today by visiting our MIND Token Migration Portal. Key addresses for Polygon network migration are as follows:

- MIND Token: 0x280053C54006A624C26989CB8354Fa4cB86f14D1
- Swap Contract: 0x21f6CFe1016D6564D0a3D844afd62766E876C5B0

Join the Evolution of Morpheus Labs with MIND Token Migration

A New Era Begins at Morpheus Labs! We're evolving from MITx to MIND tokens, boosting stakeholder value and amplifying our platform's potential. This migration marks a leap towards a robust Web3 platform, fostering growth and innovation. Be a part of this transformation as we prepare Morpheus Labs for a future rich with opportunities. Here's why you need to swap your MITx token into MIND tokens:

- Favorable Conversion Rate: 1.5 MIND for every 1 MITx token
- Seamless Process: Visit our user-friendly [migration portal](#) to make the token migration. **Please note that if you hold MITx tokens on an exchange, no manual steps are required as the migration process will be done automatically for you.**
- Improved Token Utility: MIND Tokens bring you more power within our growing ecosystem.

Step-by-Step guide to manually migrate to MIND Tokens

Don't miss out on this opportunity to join our evolving ecosystem. Transform your MITx tokens into MIND tokens in a few easy steps. Follow our simple guide:

Step 1: Connect Your Wallet — Use Metamask or Wallet Connect.

Step 2: Select & Swap — Choose your MITx wallet, enter the amount, and click "Convert Now".

Step 3: Confirm the Transaction — Approve the transaction in your wallet, and you're all set!

Should you need further guidance, please refer to our comprehensive [User Guide](#).

MIND Token Now Available on Ethereum & Polygon Networks

- **Dual-Chain Advantage:** MIND Token takes a leap forward, offering the flexibility of being available on both Ethereum and Polygon networks.
- **Effortless Network Switching with User-Centric MIND Token Migration Tool:** When migrating, simply select the network in your wallet. Choose Ethereum or Polygon based on the blockchain where your current MITx Tokens reside.
- **Essential Addresses for MIND Token Migration:** Ethereum and Polygon Networks

Ethereum Network:

Track Your MIND Token Migration

We understand the importance of staying informed and having visibility into your swap transactions. By tracking your MIND Token migration, you can confidently monitor the progress and confirm the successful transfer of your tokens. We want to ensure that you have a smooth and transparent experience throughout this process. Let us guide you through this next phase on two ways to track your MIND tokens.

Method 1: View in Transaction History Log

1. Accessing History: Click your wallet address at the top right of the migration tool.
2. History Log: Refer to the "History Log" tab to view transaction specifics. For more details, click 'View Transaction' to see it on the blockchain explorer.

Method 2: View Transactions on Wallet App

1. Launch your Wallet App: Click the "Activity" tab in your wallet app, like Metamask.
2. Identify the Swap: Look for transactions labeled 'Swap' to confirm the successful migration of your MIND tokens.

Track your transactions with ease and enjoy a smooth migration experience!

Add MIND Tokens to Your Wallet

Follow the steps below to add MIND Tokens to your wallet (E.g. Metamask or Wallet Connect).

1. **Initiate Token Import:** Launch your digital wallet application and tap on "Import Tokens."
2. **Input the Contract Address:**

For Ethereum: 0xc9EB61FFb66d5815d643bBB8195e17C49687aE1E

For Polygon: 0x280053C54006A624C26989CB8354Fa4cB86f14D1

3. **Verify & Import:** The available MIND tokens will be displayed. Simply click 'Import' to add them to your wallet.

Thank you for being a part of this exciting journey as we migrate to MIND Tokens on both Ethereum and polygon networks. This integration will unlock new possibilities and enhance the overall experience for our community. We appreciate your support and look forward to continuing this journey together as we embrace the future of Morpheus Labs in the Web3 space. Stay tuned for more updates and opportunities to engage with us. If you have any questions or need further assistance, please don't hesitate to reach out to us on [telegram](#) or other social media. Let's embark on this new era of growth and innovation together.
