## LUCAS

### LEGAL FELON

#### Information about Hero:

Lucas made his living jacking dimes from bank vaults, and developed the better part of his character in an orange jumpsuit. He lived the life on a yacht in Miami until Johnny Law came down on him. Despite his untrustworthy appearance, Lucas is nonetheless a man you can rely on. He's got skill in aiming and pulling a trigger, but after his 10th or 11th shot of whiskey on the day you wouldn't be surprised if he resorts back to his roots behind bars with the prison Shank.
