

# BinaryX Officially Rebrands to Four: A New Era For DeFi Innovation

Four · [Follow](#)

3 min read · Feb 21, 2025

We're thrilled to announce that **BinaryX has officially rebranded to Four!** This is not just a brand upgrade but an important step toward a broader blockchain future. In the community vote held from September 21st to 23rd, 2024, \$BNX holders overwhelmingly supported this change. Thank you to every community member who voted!

This move to Four signifies a new chapter, aligning us more closely with Four.meme, a **meme fair launch platform** we incubated and launched on July 3rd, 2024. It further solidifies our role as a **pioneer of DeFi innovation within the BNB Chain ecosystem.**

## Continuous Innovation, Expanding the DeFi Ecosystem

From GameFi to IGO Launchpad, and now to Four.meme, a **fair launch platform for the meme ecosystem**, we continuously explore **innovation and breakthroughs in DeFi**, actively experimenting with new business models to drive the broader adoption of blockchain technology.

We firmly believe that blockchain is more than just a technology – it is a transformative spirit that embodies **decentralization, openness, and transparency**, allowing everyone to participate equally in the wave of financial innovation. **Four's mission is to keep expanding boundaries and build a freer, fairer, and opportunity-rich Web3 future!**

## Token Information Update:

- **\$BNX rebranded to \$Four:** To ensure a smooth transition, \$BNX will be rebranded as \$Four. All \$BNX holders will be able to exchange their \$BNX tokens for the new \$Four token at a 1:1 ratio. Please wait for further announcements on the exchange process.
- **Maximum Token Supply:** The \$Four token will retain the original maximum supply of \$BNX, with no changes.
- **Token Distribution:** The \$Four token will maintain the original \$BNX distribution model.
- **Token Utility:** After the rebranding, the \$Four token will serve as the governance token of the project. All \$BNX use cases will be transferred to \$Four, with additional utility expanding within Four.meme and other upcoming Four businesses.

...

## Token Swap Method:

We will assist CEXs in completing the token swap and will open an on-chain swap channel. Please wait for further announcements.

## What This Means for Our Community:

✅ **Token Swap:** \$BNX will be exchanged for \$Four at a 1:1 ratio. Please wait for further announcements.

🌍 **New Website Launch:** \$Four will launch a brand-new homepage, allowing community members to easily access the GameFi platform, IGO Launchpad, and Four.meme, further enhancing the user experience.

🚀 **Enhanced Brand Recognition:** Four represents innovation and breakthroughs, bringing more collaboration opportunities to the DeFi ecosystem and supporting long-term growth.

📌 **More Updates:** Currently, the \$BNX token symbol remains unchanged. Further information about Four will be shared through our official social media channels.

## Future Outlook:

Four will work hand in hand with the community, continuously innovating and expanding the DeFi ecosystem, driving more high-quality projects to thrive on BNB Chain!

Thank you to our community members for your support and trust – we look forward to building the future together with you!

## Stay Connected, Shape the Future Together!

We're just getting started! Follow our official social media channels to stay updated on the latest news, announcements, and community events.

Four represents the inheritance and evolution of the blockchain spirit, and we look forward to building a brighter future with you!

Thank you for your support!

Onward and upward,

Four
