@XrpClassic

Hello dear Xrp Classic Community,

We have successfully completed the swap process. A big thank you to everyone who supported us during this process.

Deposit: 4/13 6AM UTC
Trading of XRPC/USDT: 4/13 9AM UTC
Trading of XRPC/XRP: 4/13 10AM UTC
Withdraw: 4/14 9AM UTC

(Open Price: $0.0066)

As of the above-mentioned dates, we start to continue the specified transactions from where we left off without any problems.

Remember!

From now on, we are on the XRPL network, not the BEP20 network for a short time. Remember to choose your network preferences accordingly for deposits and withdrawals.

As we promised to our users who believe in the process, we have increased the number of holders by 6.66%, please note that our supply has not changed while doing this.

Thank you for being a part of Xrp Classic!
