Dear Community,

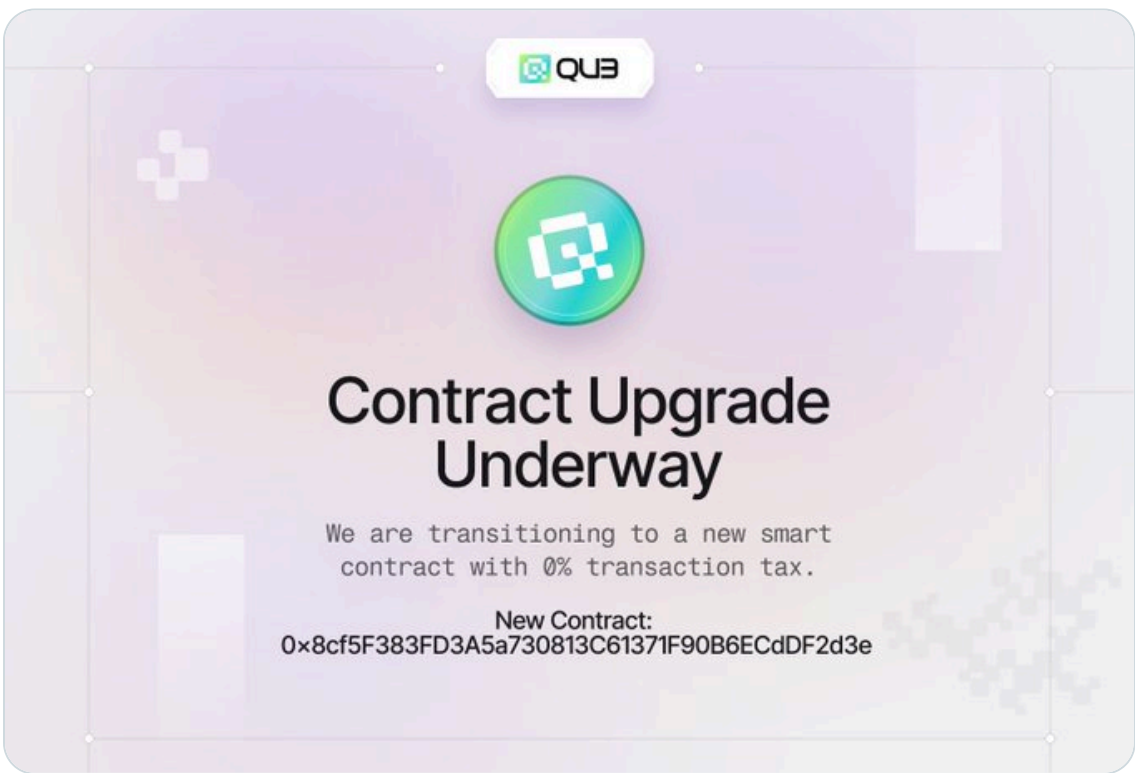

Following a thorough review and in response to your feedback, we have initiated the migration to a new smart contract. This transition is designed to support long-term sustainability and promote a healthier, more stable trading environment.

Key updates include:
– Trading tax reduced to 0%
– Liquidity added by the team
– 1:1 migration for all legitimate holders
– Sniper wallets have been refunded and excluded to ensure fairness

New CA: 0x8cf5F383FD3A5a730813C61371F90B6ECdDF2d3e

This strategic move reinforces our commitment to transparency, stability, and the long-term success of the project.

Please be advised: No action is required from holders. You will not be asked to connect your wallet or click on any external links. Additionally, no member of the team will reach out to you directly. For all updates, please refer to our official channels.
