# Step-by-Step Guide to Migrating $TNSR to $HUSTLE

The token $TNSR is being migrated to a new token, $HUSTLE, with the migration process facilitated by Migrate.fun.

Users holding $TNSR need to visit https://migrate.fun/ and connect their wallets to initiate the migration process. The project's creator, @AgentHustleAI, is actively encouraging users to migrate their tokens, and Binance says the migration is ongoing.

Here's a more detailed breakdown:

1. **Go to Migrate.fun:** Access the Migrate.fun website.
2. **Connect Wallet:** Connect the cryptocurrency wallet holding your TNSR tokens to the website.
3. **Initiate Migration:** Follow the prompts on the Migrate.fun interface to migrate your TNSR to HUSTLE.
4. **Check for Updates:** Be sure to monitor official channels (like X, formerly known as Twitter) for any specific instructions or time-sensitive information related to the migration.
