🚨 Important SHx Update: Upgrade Process Now Live 🌉

We're starting the rollout of the SHx ERC-20 upgrade, paving the way for true cross-chain interoperability between @StellarOrg and @ethereum via @axelarnetwork.

Upgrade here → gateway.stronghold.co

Old ➡️ etherscan.io/token/0xEe7527...
New ➡️ etherscan.io/token/0x516d31...

Remember, upgrading is essential for accessing new features. Don't wait too long or you'll miss out on what's coming.
