- What is Shibarmy token ?

Launched on October 2021, Shibarmy Token is a vetted, audited trendy project that pays holders 8% of each transaction SHIBA INU Bep20 tokens as a dividend for holding.

Core Functioning

SHIBARMY

- Shibarmy token contract is designed to possess 2 simple functions: Reflection and Automatic LP. With SHIBARMY you don't need to stake or add liquidity to the pool for reward tokens, just hold and earn free tokens from every transaction.

MISSION

SHIBARMY

- Our mission at SHIBARMY is to bring together the Shiba Inu supporters and unite them. To honor these diamond hands we called our project SHIBARMY and to support Shiba Inu we developed a contract that buys Shiba Inu in each transaction.

Tokenomics

SHIBARMY

- Maximum Supply of SHIBARMY is 100 000 000 000 000 (100 Trillion).
- Automatic LP:
1% out of each trade contributes toward automatically generating liquidity pool
- Distribution:
8% out of each trade is distributed in \$SHIB tokens
- Marketing:
1% out of each trade contributes toward the SHIBARMY marketing wallet
