Background

Introduction

MOBOX is a community-driven GameFi platform empowering users by rewarding them for their engagement and enjoyment. By using innovative tokenomics (\$MBOX allocation), utilizing finance and games. Whilst also combining the best of DeFi and NFTs to create a truly unique and everlasting **FREE TO PLAY, PLAY TO EARN ECOSYSTEM**.

 **MOBOX is committed to becoming the next epoch-making decentralized / community-driven / developer-friendly GameFi platform.**

FREE TO PLAY , PLAY TO EARN !

Team MOBOX is all about transparency in everything we do. Above is a list of our Smart Contracts that can be found in our github and BSCscan.

Audit

Certik, a world-renowned audit institution, has completed all audits of the MOBOX contracts.
