**Pepe 2.0 Migration Update**

Migration snapshot date is updated to **January 6th 11:59PM EST** this will give enough time for the exchanges to announce to their users. We will take a snapshot of our holders for migration, this will NOT delay the launch of the New CA. If you are NOT on an exchange please make sure to send your tokens to

**0x4E7249473B26b48E7E8DC2B50E5bFf501BdA2877**

If you are holding your tokens on an exchange, as mentioned before, please wait and follow their directions.

Migration Breakdown:

•Snapshot will be taken on
**January 6th at 11:59PM EST.**

•Holders will receive a 1:1 token airdrop of the new CA.

•Airdrops will be given on January 10th by 11:59pm EST. Then the new CA will go live on January 11th time TBD.

The new contract is currently being audited and in review by exchanges. The new CA will be released soon.

Thank you so far for all of the support during this migration, we are excited for the future of Pepe 2.0.
