# The Crypto Prophecies

Official White paper, last updated 9.4.2021

## Introduction

A decentralised peer-to-peer price prediction game

Enter the Crypto World and put your proclaimed crypto prophecy to the test. Go head-to-head with other prophets in this zero-sum price prediction game. Place your wager and cast your spells over the candles as you foresee the crypto futures to make your profits.

Summon your NFT Crypto Prophets to start creating your own prophecy. Unleash the prophets magical wrath on your opponents to gain the edge

Powered By **GitBook**

in battle and make more profit.

In the Crypto world, fortune favours  
the boldest, cutest and most  
magical of prophets.
