Important LCX Update: Upgrade Process Now Live

We're starting the rollout of the LCX ERC-20 upgrade, paving the way for expanded infrastructure capabilities and future network developments.

Upgrade here → chain.lcx.com/claim

Old - etherscan.io/token/0x037a54...
New - etherscan.io/token/0x8CD410...

Remember, upgrading is essential for accessing new features. Don't wait too long or you'll miss out on what's coming.
