# The Quack Tales

Everyone wants to Get Rich Quick, but few are willing to do whatever it takes and its driving us Crazy! RichQUACK is a play on words, a fun way for us to mock those people who did nothing but expect luck, other people, or even destiny to give them everything in life.

Disclaimer: This is a community driven project, which mean everyone need to work hard together and spread QUACK like a virus or nothing going to happen. Let's create a supportive and motivated community of holders who are ready to work hard, hustle, contribute & risk it all for our one common goal! Together, we can launch QUACK to the Moon and beyond! Please understand RichQUACK is not an investment. Before we build all the utilities, QUACK was initially created as a meme just like doge. RichQUACK make no promises and is not responsible for any losses or errors. Use at your own risk.
