# WHAT IS **RICHIE**?

A horizontal line with a diagonal drop at the right end, followed by three solid blue squares and three white squares with blue outlines.

## **Richie is the latest Rage**

A Community token like no other!! Richie is a **Rugpull Safe utility token** born out of conceptualization which will keep evolving with time. Philanthropic in nature, Richie strongly believes in charity and enriching the community.

Richie is made on Binance Smart Chain so that there is less gas fees because Richie cares about your money.

# WHO IS **RICHIE**?

As the name suggests, Richie is rich but not just by his wallet but also at heart. Hence, Richie is descending on Planet Earth in his spaceship to provide help where needed as well as help the community grow just like his native planet, Planet Rich.

Legend goes that if you look closely, you can see the golden planet (Planet Rich) shining bright against the dark night sky.

## **Character Sketch**

Flamboyance and Richie go hand in hand. He has a heart of diamond just like all residents of Planet Rich. Richie lives lavishly and dangerously, he has a thing for speed...owns a fleet of lambos and a line-up of spaceships, different colors for different days.

There's so much more to Richie, but before we forget, did we tell you about his best friend, Billion?  
Who is Billion, you ask?  
A hint – woof woof !!

# 01

## CHARITY

Richie has a heart of diamond and the believes in giving away with each transaction.

# HEART OF DIAMOND

Planet Earth is reeling under the shadow of a global emergency. The need for global support will not diminish even after the current crisis is over. We need solidarity and kindness. Richie understands and embodies these characteristics.

Richie will donate a part of all transactions to charity over and above the groundwork that is required in these times.

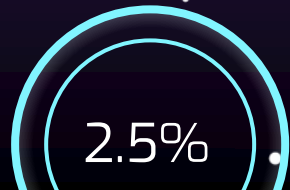

All fellow Richies will come together to make a difference and make the planet a better place one good deed at a time.
