5/10 Wondering how to locate your new tokens? Simply import the new token address into your wallet:
0x61a35258107563f6b6f102ae25490901c8760b12

Please note that the price update will take a few days, so the current price will not be immediately reflected.

6/10 If you don't see the tokens in your wallet, check their arrival on the blockchain through Etherscan: etherscan.io. Search using the token address for confirmation.

discontinuation of BSC support for over a year and the closure of the bridge as a precautionary measure against potential security risks.
